2-4	Supplier's specialty	Selling clothes and men's suits				
2-5	Supplier's liaison officer	Mostafa Rahal				
2-6	Warrantees (if any)	Value of warrantee = 112,50	Type of Warrantee	Performance security 10%	Maintenance	Manufacturing defect
3	Quality of provided commodity/or service					
3-1	The number of supplied items / services and conforming to specifications	(٢٥) items after they were returned twice				
3-2	The number of items / services that have been received despite the presence of a deviation from the technical specifications	25 items				
3-3	The value of discount on the deviation from the required specifications (JD)	(١٠٨.١٠٠) JD				
3-4	The number of products / services supplied with technical specifications higher than the required specification	None				

Notes:-

The delivery of the suits delayed 12 weeks and they were returned twice because they weren't compliant with the required specifications and the contractor didn't commit to what is required only after the aforementioned period.
